PRINTING 1348'S – CERTS/MANIFEST

Title:	Certification of Demilitarization
Reference:	DoD 4160.21-M-1, Chapter 2 DoD Bulletin 99-007 DRMS-I 4160.14, Volume VII
Description:	A certification as quoted below will be signed and dated by a technically qualified government representative, as designated by the responsible commander or agency chief, who actually witnessed the demilitarization of the material whether performed by government or contractor personnel. In cases where the witnessing of demilitarization would unnecessarily subject the witness to hazardous conditions or when the demilitarized material can be laid out to clearly display the residue from each item demilitarized, demilitarization may be certified through inspection of the residue. The certificate will be executed for all items demilitarized and will read as follows:

Certification Statement:

I CERTIFY THAT THE ITEM(S) LISTED HEREON HAVE BEEN DEMILITARIZED IN ACCORDANCE WITH DoD 4160.21-M-1, DEFENSE DEMILITARIZATION MANUAL, APPENDIX 4, CATEGORY _____ , PARAGRAPH _____ AND/OR THE FOLLOWING APPLICABLE REGULATION:

_____

Signature: _____ Date: _____
(Certifier)

Signature: _____ Date: _____
(Verifier)

PRINT INVENTORY LABELS - INTERMEC

Print Inventory Labels

Please set the number of labels to print for each DTID:

Number of Labels to Print for DTID 13421433149901: `1`

Please select your InterMec Printer COM Port:

COM Port: `COM1`

[Get Labels]   [Back to Print Page]

INSTRUCTIONS

First select your InterMec Printer COM Port and press the "Get Labels" button. Once you select a port, a label script file called "printlbl.bat" run this script on your computer to print the labels.

To run the script from Internet Explorer:

1. Click on the printlbl.bat link.
2. Select "Run this program from its current location".
3. Click OK.
4. Labels will print.

To run the script using Netscape:

1. Click on the printlbl.bat link. An InterMec Printer Script will appear in your browser.
2. Select File and Save from the Netscape menu bar to save the script to your hard drive.
3. Run the script by double clicking the file in Windows Explorer.

Note that if the script does not work, you may have chosen the wrong COM port. Check with your system administrator to confirm the COM port.

1. **SELECT THE NUMBER OF LABELS YOU NEED**
2. **SELECT THE COM PORT THE INTERMEC PRINTER IS CONNECTED**
3. **CLICK ON GET LABELS**

PRINT INVENTORY LABELS - INTERMEC

Print Inventory Labels

To print labels with an Intermec printer connected to COM1, run the script printlbl.bat.

| Change Label Setup | Back to Print Page |

1. RUN THE SCRIPT FOR THE INTERMEC PRINTER

INSTRUCTIONS

First select your InterMec Printer COM Port and press the "Get Labels" button. Once you select a port, a label script file called "printlbl.bat" is generated. You must run this script on your computer to print the labels.

To run the script from Internet Explorer:

1. Click on the printlbl.bat link.
2. Select "Run this program from its current location".
3. Click OK.
4. Labels will print.

To run the script using Netscape:

1. Click on the printlbl.bat link. An InterMec Printer Script will appear in your browser.
2. Select File and Save from the Netscape menu bar to save the script to your hard drive.
3. Run the script by double clicking the file in Windows Explorer.
